

The Betty Spadaro Community Service Award Application

The Queensbury Senior Citizens is awarding (1) **\$2,500 Scholarship** to a graduating high school student. The criterion for awarding this Scholarship is exemplary volunteer service within the student's community where they reside and the school that they attend. Applicants should submit a completed **Application Form** and an organized and well written **Essay** (500-700 words) explaining the community and school volunteer services they have participated in and conclude the essay with a reflection on which volunteer service was most enjoyable and how it may have influenced their future studies or career goals. Applicants should also submit one **Letter of Recommendation**. The letter should be from an individual who can attest to the applicant's volunteer work and character in the organization where the applicant has served. Proof of college semester completion is required to receive the full Award.
