

The Lake George Central School District is committed to providing students with a well-rounded educational experience that extends beyond the classroom. We strive to engage students in a variety of extracurricular and co-curricular activities, fostering personal growth, teamwork, and leadership skills. Our district takes great pride in the numerous opportunities available to students, ensuring they have the chance to explore their interests and develop their talents. In 2023-2024, 93% of students district wide were engaged in extracurricular and/or co-curricular activities. There are over 100 extracurricular and co-curricular activities district wide for students to participate in.
